MOUNTAIN BIKE

VIA FERRATA & CLIMBING

On the slopes of the Grandes Rousses Massif, this Via Ferrata starts at the edge of the magnificent La Fare waterfall. Several sections, which can be completed separately, make up the route, which is accessible to beginners from the age of 14 and to the most experienced climbers.

LA CASCADE (DIFFICULTÉ D+)

An aerial route along the mythical «cascade de La Fare» through vertical but physically accessible passages. An escape route allows you to avoid the second section of the via ferrata and to descend towards La Villette.

THE FOOTBRIDGES (DIFFICULTY D)

This is an easier route, which winds its way along the wooded slopes of the wall to reach the crossing of two large footbridges.

These footbridges overlook the talweg and allow access to a more vertical wall to join the «La Cascade» route.

Access/return of the Via Ferrata from La Villette : 3h

Departure parking - alt 1325m

Difference in altitude - 118m

Access time - 40mn

Return from the summit 1715m - 1h30

CLIMBING SCHOOL

In an exceptional setting, near the La Fare waterfall, 12 climbing routes await you. Equipped in 2016, this site allows climbers to enjoy technical routes but also family routes, from 2 to 6a. Especially well adapted for the initiation of young climbers and located on a pleasant path with easy access, this site is really a treat for beginners.
